

Hospital Rated by American Hosp. Association ^{13 Apr 1972}

The Board of Trustees of the Wasatch County Hospital announced today that the hospital has been approved for registration for a period of three years with the American Hospital Association.

A number of weeks ago, the American Hospital Association sent an inspector to the hospital to review the organization, structure, policies and procedures and medical records. The inspector indicated definite approval of all hospital areas and complimented the administration on a well-kept organization.

The American Hospital Association which was first organized in 1899, has been instrumental in organizing programs to improve hospital management and patient care. Registration with the association opens the door to future accreditation by the Joint Commission of Accreditation of Hospitals.

Bloodmobile to Be In Heber City August 17th ^{13 Aug 1970}

The American Red Cross Bloodmobile in Heber City on Monday, August 17 from 3 to 7:30 p. m. at the Wasatch Stake Center.

The demand for blood and blood products is constantly increasing. The needs of patients must be met by more donors, people like you. Many donors give three and four times a year.

Consider yourself invited. Blood comes only from people. It can't be manufactured. Your gift could mean life for a sick child, an accident victim, sick elderly person facing surgery.

If you stop and think of the good your donating blood can do, we believe you might decide you aren't too busy after all.

Come and give a pint!

Doll Raffle Slated By Pink Ladies ^{19 Oct 1972}

The Fourth Annual Teenage Doll Raffle, sponsored by the Pink Ladies Organization begins this Friday, October 20th. Tickets go on sale at Day's Food Market for 25c or 5 for \$1.00.

The doll and her beautiful wardrobe will be on display at the different stores on weekends and at the hospital during the week for the next month. The proceeds will go towards the purchase of an additional heart monitor for the Wasatch County Hospital. With the high increase of heart attack patients, it has become evident that more heart monitors are needed. Give generously to this project, for the life this heart monitor saves, may be your own.

The drawing will take place on December 9th.

On Sunday Luella C. Brienholt visited with her brother, Albert and Ora G. Van Wagoner in Provo. On Monday, a niece, Monta Lue Frazier of Spanish Fork called to see Mrs. Brienholt at Heber.
